

## WHICH IS LONGEST

The Height Of The Hat  
or The Width of The Brim?

Make a guess, and then make measurements.

“There is a way that seems right unto a man, but the end thereof are the ways of death.” **Pro. 14:12 & 16:25**

**God repeated the warning twice for emphasis.**

## The Postage Stamp

There was a little postage stamp  
No bigger than our thumb;  
But still it stuck right to the job  
Until its work was done.

They licked and they pounded it  
‘Till it would make you sick;  
And the more it took a lickin’  
The better it would stick.

Let’s all be like the postage stamp  
In playing life’s tough game;  
And just keep on a stickin’  
Though we hang our heads in shame.

The stamp stuck to the letter  
‘Till it saw it through;  
There’s no one can do better  
Let’s keep on sticking and be true.

## How To Raise A “Holligan”

1. Begin from infancy to give the child everything he wants. This way he will grow up to believe the world, or the government, owes him a living.
2. When he picks up bad words, laugh at him. It will encourage him to pick up “cuter” phrases that will totally sicken you later.
3. Never give him spiritual training. Wait until he is twenty-one and then let him decide for himself.
4. Avoid using the word, “wrong.” This will condition him to believe later, when he is arrested, that society is against him and he is being treated, “unfairly.”
5. Pick up anything he leaves lying around - books, shoes, clothing. Do everything for him so he will be experienced in throwing his responsibilities onto others.
6. Let him read anything he gets his hands on. Let his mind feed on rubbish.
7. Quarrel frequently in his, or her, presence. That way they won’t be shocked when the home is broken - yours - and theirs.
8. Give the child lots of spending money. Never let him earn his own.
9. Give the child all the food, drink, and comfort you can. See that he has everything he wants. Denial may lead to harmful frustrations.
10. Defend him against neighbours, teachers, and policemen. They are all prejudiced against your little angel.
11. When he gets into real trouble apologize for yourself by saying, “I never could do anything with him.”
12. Prepare for a little grief -- **you will have it.**

**“Train up a child in the way he should go: and when he is old he will not depart from it.” Pro.22:6**
